INDEX TO VOLUME 8

Note: Each subject area is indicated by a CAPITAL letter and the articles within each subject area are assigned a number. Thus, each article has a code such as C-3, N-5, etc. The number of the first page of each article is shown in *italics* in both the subject and author index. The subject code for each article also appears after the author's name, thus providing a cross-reference between the two parts of the index—subject and author.

SUBJECT INDEX (65 articles)

A. Academic Achievement

1. Academic achievement of rebels and introverts, *246*.
2. Assessment of student accomplishment in college, *360*.
3. Causes and effects of academic probation, *311*.
4. (The) effect of academic probation on the scholastic performance of college freshmen, *176*.
5. Effect of first-year academic probation on the scholastic performance of college students, *270*.
6. Negro freshman performance in a predominantly non-Negro university, *366*.
7. Prediction of graduate school achievement, *296*.

B. Academic Advising (none)

C. Administration and Policy Formulation

1. Educational aspects of in loco parentis, *231*.
2. Increased enrollments and planning for the future, *354*.
3. Legal aspects of in loco parentis, *234*.
4. Medical aspects of in loco parentis, *237*.
5. (A) rationale for religious programming in state universities, *385*.
6. Student adjustment and use of an automobile, *369*.
7. Student-faculty noncommunication, *282*.
8. Variations on a theme: in loco parentis, *22*.

D. Admission and Retention (none)

E. College Climate

1. Campus culture: a product of its own history, *3*.
2. (A) cross-sectional and longitudinal study of students' perceptions of their college environment, *199*.

F. Counseling

1. (A) behavioral approach to encouraging college accomplishment in disadvantaged youth: an exploratory study, *173*.
2. Change in college student attitudes toward sources of assistance for problems, *315*.
3. Effects of social reinforcement as a technique in counseling, *116*.
4. Evaluation of group and individual counseling: a follow-up, *265*.
5. Group counseling and academic rehabilitation of probationary transfer students, *185*.
6. (A) reappraisal of the continuum of counselor responsibility, *189*.
7. Relationship of type of student problem and perceived outcomes of counseling, *26*.
8. Research on group procedures with college students: a review, *286*.
9. Using the new *DOT* in college counseling, *112*.

G. Educational Skills

1. How much do students study, *373*.
2. Verbal and reading skills of students participating in a university reading and study skills program, *181*.

H. Financial Aids

1. Part-time employment and academic performance of freshmen, *257*.
2. Personality characteristics of male scholarship recipients, *261*.

I. Foreign Students and International Education

1. Cross-cultural perspectives on student demonstrations: introduction, *157*.
2. Cross-cultural perspectives on student demonstrations: a lesson from East Asia, *158*.
3. Cross-cultural perspectives on student demonstrations: a lesson from Burma, *161*.
4. Cross-cultural perspectives on student demonstrations: the influence of student organizations, *165*.
5. Cross-cultural perspectives on student demonstrations: a summary view, *170*.
6. Developing American-foreign student relationships, *397*.

J. Fraternities and Sororities

1. Attitudes toward the men's social fraternities at the University of Colorado, *75*.

K. Housing

1. Evaluating residence hall advisers, *251*.
2. Impact of living arrangements on student environmental perceptions, *10*.
3. Implications of residential setting for development during college, *308*.
4. Intellective and non-intellective characteristics of students involved in dormitory disciplinary problems, *393*.

L. Orientation

1. Differences between students attending and not attending a pre-college orientation, *16*.
2. Effectiveness of freshman orientation, *300*.
3. Effects of three approaches to college orientation on academic achievement, *195*.

M. Placement and Follow-up

1. (A) follow-up study of English majors, *376*.

N. Professional Problems

1. Characteristics of ACPA members, *32*.
2. (The) CIA-NSA controversy, *220*.

M. Placement and Follow-up

1. (A) follow-up study of English majors, *376*.

N. Professional Problems

1. Characteristics of ACPA members, *32*.
2. (The) CIA-NSA controversy, *220*.

3. College students' development: opportunities and interferences (ACPA presidential address), *148*.
4. Internships in student personnel programs, *322*.
5. Members' evaluations of ACPA programs and services, *40*.
6. Psychology and student personnel work, *239*.
7. Should student personnel administrators be given tenure, *225*.

O. Student Activities and Government

1. Assumptions involved in the formation of student discussion groups, *192*.
2. Emerging patterns in student activity programs, *390*.

P. Student Characteristics and Problems

1. Are college women satisfied with their equality and freedom, *109*.
2. From whom would college women seek assistance, *80*.
3. Interest scores and accidents among students, *121*.
4. MMPI and college populations, *90*.
5. Motives for college: utilitarian or liberal, 305.
6. Self-actualization in a small college environment, *100*.
7. Student athletes: a unique population, *97*.
8. Student characteristics in curriculum planning, *381*.
9. Study of personality in the church-related liberal arts college, *105*.

Q. Student Conduct

1. MMPI patterns of college male disciplinary referrals, *85*.
2. Sociological and attitudinal factors relating to perception of college student misbehavior, *318*.

R. Vocational Choice and Development (none)
